

## **2018-2019 Female Athlete Mentorship Program**

### **Program Info:**

The CCC Women's Committee has been coordinating the Female Athlete Mentorship Program since 2010 with the goal of creating a strong community of elite female skiers in Canada. Younger athletes will be paired with past or current elite skier for the year. The program will provide an opportunity for older athletes to share their journey, knowledge and experiences as high-level racers, while giving younger athletes a friendly resource for any questions or concerns they may have.

### **Eligibility:**

The program is open to any Canadian junior girl or junior woman who is planning to compete in cross country skiing events at a provincial or national level in the 2018-2019 season. We will endeavour to match all applicants with a mentor.

### **Application Deadline: September 15, 2018**
